

## Who we are

Merchant Service Depot provides secure and customizable prepaid card solutions, helping nonprofit organizations like United Way streamline financial transactions. Our mission is to enhance community impact by offering efficient, transparent, and flexible fund distribution methods.

# Empowering United Way with Prepaid Cards

### Branded Cards

Personalize prepaid cards with the United Way logo, mission, or seasonal campaigns to increase brand visibility and community awareness.

### Flexible Payments

Load prepaid cards with different values for grants, volunteer rewards, or donor incentives, making the reward scalable and flexible.

### Tracking & Reporting

Use the online portal to track card usage in real-time, ensuring full accountability of distributed funds.

## Why It Matters

- ✓ **Faster Grant Disbursement** – Instantly distribute funds to recipients
- ✓ **Donor & Volunteer Incentives** – Recognize contributions with prepaid rewards.
- ✓ **Simplified Donation Management** – Easily track and manage contributions
- ✓ **Enhanced Transparency** – Real-time reporting ensures accountability.
