## Introduction to Merchant Service Depot's Card Issuing Program

### Key Features

- ✓ Customizable, branded cards
- ✓ Instant card issuance
- ✓ Real-time transaction tracking
- ✓ Secure and reliable payment solutions

### Step 1

#### Customization

Tailor the prepaid card solution to meet your business's specific needs (e.g., commission payouts, contractor rewards, customer incentives).

### Step 2

#### Issuance

Issue prepaid cards instantly to affiliates, contractors, or employees via digital or physical methods.

### Step 3

#### Tracking & Reporting

Use the secure portal to monitor transactions, balances, and generate reports for easy reconciliation.
